RENT A ROOM TO A REFUGEE

PEOPLE WHO HAVE RECENTLY BEEN GRANTED REFUGEE STATUS NEED A PLACE TO LIVE. COULD YOU RENT THEM YOUR SPARE ROOM AND EARN SOME TAX FREE INCOME?

People living in the Carlisle Hotels are now being granted refugee status. A new refugee is free to make a new life in the UK (work, pay tax, get welfare benefits) and needs to find a place to live.

Have you got a spare room that you could rent to a new refugee while they build their life in the UK? You can earn tax free income up to £7500 a year.

You need:

A spare room you are willing to rent
To live on a good public transport network
