

RENT A ROOM TO A REFUGEE

PEOPLE WHO HAVE RECENTLY BEEN GRANTED REFUGEE STATUS NEED A PLACE TO LIVE. COULD YOU RENT THEM YOUR SPARE ROOM AND EARN SOME TAX FREE INCOME?

Asylum Seekers living in Carlisle and West Cumbria are being granted refugee status. A new refugee is free to make a new life in the UK (work, pay tax, get welfare benefits) and needs to find a place to live.

Have you got a **spare room** that you could rent to a new refugee while they build their life in the UK? You can earn tax free income by doing so. Find out more by viewing our briefing pack:

You need:

A spare room you are willing to rent
To live on a good public transport network
